Manel Leiva

Senior Visual Designer

LOCATION:
Barcelona

UPCOMING TIME OFF:

EMPLOYMENT STATUS:

Manel Leiva is a Senior Product Designer with 15 years of experience in designing complex digital products and building design systems. He has led design-system initiatives at Abacum and built Remuner's system from scratch. Manel collaborates closely with engineers on component architecture and design documentation, ensuring alignment between design and code.

-Most Relevant Experience-

Senior Product Designer, Remuner	May, 2024 - Mar, 2026
Senior Product Designer, Abacum	Jan, 2022 - Apr, 2024
Senior Product Designer & Co-founder, Kings of Mambo	Sep, 2010 - Nov, 2021

-Past Work-

Remuner - Built the Figma component library and design system from scratch as sole designer, alongside product work across the full product surface. Ran an ongoing product audit and owned the design side of the token pipeline.

Abacum - Worked on the Abax design system alongside product work, co-led the design-system business case, and ran the weekly design-library sync.

Kings of Mambo - Co-founded and led a UX studio for 11 years, designing
